The software that is subject to this general End User's Software License Agreement ("EULA") is any software provided by Crisp Telecom Limited (that is not subject to a specific agreement), the "**Licensed Software**", as more fully defined below. The Licensor of the Licensed Software is **Crisp Telecom Limited**, a company having registered office at 130 High Street, Hungerford, Berkshire (England). This EULA is a legally binding agreement between the Licensee and the Licensor pursuant to which the **Licensor** licenses the use of the Licensed Software to the Licensee (the "**Licensee**"). Please read it carefully. If you have any questions concerning this EULA, please contact **the Licensor**. Any installing, copying, accessing, or using the Licensed Software by you (the "**Licensee**") constitutes Licensee's acceptance of, and promise to comply with, all of the terms and conditions of this EULA.

### **LICENCE TERMS**

**Licence Period:** One year, subject to annual renewal.

**Contents:** The "**Licensed Software**" includes all of the executables, contents of the files, disk(s), CD-ROM(s), DVDs, or other media for which this EULA is provided, including:

- (1) third party computer information or software that **the Licensor** has licensed for inclusion in the Licensed Software;
- (2) written materials or files relating to the Licensed Software ("**Documentation**");
- (3) fonts; and
- (4) upgrades, modified versions, updates, additions, and copies of the Licensed Software, if any (collectively, "**Updates**").

**Installation:** Licensee may install one copy of the Licensed Software on a single computer. The Licensee must be the primary user of the computer on which the Licensed Software is installed. Licensee shall be solely responsible for all expenses incurred in Licensee's installation and use of the Licensed Software. The Licensee will inform the Licensor in advance if the Licensed Software is to be moved to a different machine.

**Activation:** The Licensed Software may contain technological measures that are designed to prevent its unlicensed or illegal use. The Licensed Software may contain enforcement technology that limits Licensee's ability to install and uninstall the Licensed Software on a machine to no more than a finite number of times, and for a finite number of computers. The Licensed Software may require activation as explained during installation and in the Documentation. If any such applicable activation procedure(s) is not followed, then the Licensed Software may only operate for a finite period of time. If activation is required, and not completed within the finite period of time set forth in the Documentation and explained during installation, then the Licensed Software will cease to function until activation has been completed, at which time functionality will be restored. If Licensee has any problem with the activation process, Licensee should contact the Licensor customer support.

**Copies:** Licensee may make one copy of the Licensed Software for backup or archival purposes only, except that the Documentation may not be duplicated.

**Software Updates:** If the Licensed Software is an update to a previous version, Licensee must possess a valid Licence to the previous version. Any update provided by the **Licensor** to Licensee is made on a Licence exchange basis such that Licensee agrees, as a condition for receiving an Update, that Licensee will terminate all of Licensee's rights to use any previous version of the Licensed Software. However, Licensee may continue to use the previous version only to assist in transitioning to the Updated version. Once an Update has been released, the **Licensor** may cease support for prior versions, without any notice to Licensee.

**Support:** The **Licensor** is not obligated by this EULA to provide Licensee with any "**Technical Support Services**" relating to the Licensed Software; however, Licensee may purchase additional Technical Support Services for an additional charge as the **Licensor** may offer from time to time during the term of this EULA. If Technical Support Services have been purchased and the associated support period has not expired, the Licensee may contact the Licensor technical support to request support. The Licensor will use reasonable efforts to satisfy requests that relate to the intended operation of the Licensed Software. The Technical Support Services will only extend to the computer platform, if it was supplied by the Licensor and no software or hardware changes or additions have been made by the Licensee.

**Licence Expiry:** If the end of the current Licence Period is reached, the Licensee may extend the Licence Period by purchasing a period of associated Technical Support Services. If the Licence Period is not extended the licence will become "expired". The continued operation of an expired licence is at the sole discretion of the Licensor.

**Limited Warranty on Media:** The **Licensor** warrants that the media on which the Licensed Software is distributed will be free from defects for a period of 30 days from the date the Licensed Software is delivered to Licensee. If Licensee discovers a defect in the media during this 30-day period, Licensee must then return the defective media to the **Licensor** within 10 calendar days of discovering the defect, and Licensee's sole remedy is to have either the defective media replaced, or at the **Licensor** sole option, a refund of the money that Licensee paid for the Licensed Software. THE AGGREGATE LIABILITY OF the **Licensor**, AND the **Licensor** AFFILIATES, UNDER OR IN CONNECTION WITH THIS EULA, SHALL BE LIMITED TO THE AMOUNT PAID FOR THE LICENSED SOFTWARE, IF ANY.

**Survival of Disclaimers:** The exclusions of warranties, indemnification obligations and liability limitations shall survive the termination of this EULA, however caused; but this survival shall not imply or create any continued right to use the Licensed Software after termination of this EULA.

**Export Rules:** Licensee shall not ship, transfer, or export Licensed Software into any country or use Licensed Software in any manner prohibited under the governing law.

**Waiver:** No failure or delay by the **Licensor** in exercising its rights or remedies shall operate as a waiver unless made by specific written notice. No single or partial exercise of any right or remedy of the **Licensor** shall operate as a waiver or preclude any other, or further, exercise of that, or any other right, or remedy.
